

Dear Past Sponsor:

Thank you for your past support of the Buddy Walk of East Texas which is the annual fundraiser of The East Texas Down Syndrome Group. We are in the planning stages of our Eighth Annual Buddywalk to be held on Saturday October 24th, 2009 at Teague Park in Longview.

The National Down Syndrome Society started the Buddy Walk in 1995 and over the past twelve years it has grown from 17 walks to more than 325 expected in 2008. Last year alone, more than 285,000 people participated in a Buddy Walk. Locally, approximately 350 participated last year in the one-mile advocacy walk to promote awareness and acceptance of all people with Down syndrome.

With help from our sponsors like you we were able to raise over \$31,000 in 2008! The funds we raise support the programs and services of the East Texas Down Syndrome Group and the National Down Syndrome Society. Examples of our local programs and services include sending families to a national Down syndrome summer conference, paying registration fees for our members to attend various educational seminars, provide a monthly newsletter to our membership of over 125 families, provide emergency family assistance should a financial need arise, provide new parent packets with information, books, etc. to our newly referred families, have bi monthly meetings and several social events.

We do not charge a membership fee to our families and all of this is possible because of caring sponsors such as you.

We are writing to ask for your support for this year's event. By helping us promote awareness and acceptance of people with Down syndrome you are helping all people with Down syndrome take steps for a brighter tomorrow. A sponsorship form is attached. Thank you very much for your consideration. We look forward to hearing from you soon. If you have any questions or need additional information, please do not hesitate to call.

With sincere appreciation,

Jennifer Luensmann
